

Centenary College Missing Person Contact Form

Each student living in on-campus housing has the option to register a confidential contact person to be notified in the case that the student is determined to be missing, and that authorized campus officials and law enforcement officers may have access to this information. The College will request of students each year that they provide, on a voluntary basis, contact information in the event that the student would be reported officially missing during his or her tenure at the College.

Address

If a Centenary Student is suspected missing, immediately contact Centenary College Security by dialing "0" on campus, or ext. 2076, or from any off-campus phone at 908-852-1400.

All reports of missing persons made to Centenary Security are followed up with an on-going investigation and if the student is determined to be missing for more than 24 hours, then the local police and emergency contact will be notified.
