

Know Your Medicare ABC's

MEDICARE PART A | Hospital insurance that helps cover:

- Inpatient care in hospitals
- Skilled nursing facility care
- Hospice care
- Home health care

MEDICARE PART B | Medical insurance that helps cover:

- Doctor and specialist costs
- Outpatient care
- Home health care
- Durable medical equipment
- Many preventive services

Medicare Part A & Part B are often referred to as "Original Medicare."

MEDICARE PART C (MEDICARE ADVANTAGE) | A type of Medicare health plan:

- Offered by private insurance carriers approved by Medicare
- That includes all of your Medicare Part A and Part B benefits
- May include Medicare prescription drug benefits
- Durable medical equipment may be covered
- May include benefits not available through Medicare Part A or Part B

MEDICARE PART D (PRESCRIPTION DRUG) | A type of Medicare health plan:

- Offered by private insurance carriers approved by Medicare
- That helps cover the cost of prescription drugs
- That varies in cost and the specific drugs that are covered

PLEASE NOTE: You also have the option of choosing a Medicare Supplement plan, also known as a Medigap policy. This type of plan can help pay some of your costs that Original Medicare doesn't cover, such as copayments, coinsurance and deductibles.
