REMINDERS:

- Following your successful 90-day performance evaluation, employees are eligible for Centenary tuition benefits. Each semester, you are required to complete and submit a tuition benefit form to Human Resources. Please be advised that the value of your tuition will be considered imputed income per IRS Guidelines. Imputed income will be reflected in your October, November, and December pays – it is your responsibility to plan financially for this change during these pay periods.
- Following your 2-year work anniversary, dependents of full-time employees are eligible to apply for a tuition exchange program scholarship through the Tuition Exchange and the Council of Independent Colleges.
